Service Guidelines

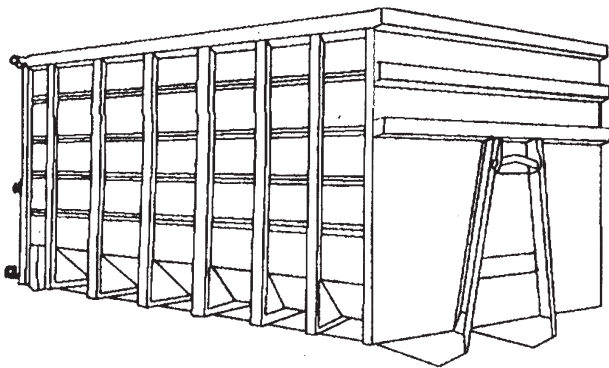

When ordering a skip we will need specific information from your company to make the delivery as efficient as possible. Please ensure the person ordering the skip has the following information available.

1. Full delivery address
2. Skip size and type required e.g. 8 cubic yard skip, 20 cubic yard roll-on roll-off container etc.
3. Service required e.g. delivery, exchange, wait and load, collection etc.
4. Quantity required.
5. Date required.
6. Type of waste to be placed in skip e.g. paper, plastic, concrete etc.
7. Skip to be placed on or off the public highway e.g. private property or on the road.
8. Ease of access to site e.g. height, width or time restrictions.
9. Site contact name and telephone number.
10. Your order number or reference.

If the skip is to be located on private property, please be aware that damage to the property may occur due to the weight of the delivery vehicle and material in the skip. The person requesting delivery will be responsible for accepting all liability in the event of damage occurring.

Please ensure the property owner is aware of this risk
